W.P.(C) No.31474 of 2006

Dated this the 28th day of November, 2006.

JUDGMENT

Petitioner's case is that even though appeal filed against suspension of licence for distribution of kerosene was allowed remanding the case back to the District Collector vide Ext.P4 order more than an year back, the Collector has not taken any follow up action. Since the impugned order was set aside and remanded to the Collector, it is for him to conduct fresh enquiry, if required, or otherwise, peruse the records, give opportunity to the petitioner and dispose of the case afresh. Since he has not done it, he is directed to do it within a period of two months from the date of production of copy of this judgment by the petitioner, failing which the petitioner can move this court for initiating contempt action.

W.P. is disposed of as above.
